THE COLLECT

Almighty God, Who holds within the hollow of Your Hand the living and the dead; we give you thanks for all who, in the course of their commitment to You and to this nation, have laid down their lives in the service of their country. Especially do we remember our friends, our loved ones, our shipmates, who memories are precious in the passing of years. Grant to them the rest prepared for the faithful, and to us the commitment to the continuance of that work unfinished, until our life's end.
Amen
